

## LHF620SS

Solid Lid Chest Freezer

### Product Features

- Stainless steel lid
- Static cooling
- Defrost drain
- Baskets
- Lock
- Thermometer

Solid Lid Chest Freezer

The LHF SS range of chest freezers offers ample storage with high quality stainless steel lid. With efficient energy use and a temperature range of -16 to -23 °C, it ensures your goods remain perfectly frozen. Equipped with a static cooling system and secure lock, it's easy to access and maintain. Ideal for reducing operational costs while providing reliable frozen storage for your business. With stainless steel lid and defrost drain alongside additional product features.
