

BID100

## NEW NUGGET ICE/WATER DISPENSER

### Description

Cold, crisp ice water at the push of a button. The new BID100 from Blizzard offers self service water and ice at the a moments notice without breaking the budget. This impressive unit is built from high quality stainless steel with a Black ABS accent making it both super easy to clean and super easy on the eye.

A removable rear filter helps keep the unit running seamlessly and its simplicity of design allows for easy hooking up to your water supply and quick access to power thanks to its standard 13amp 3 pin plug.
