

NEW REFRIGERATED BEER KEG DISPENSER

Description

Whether you’re looking to open your outdoor space to events or put on larger scale festivals you’re most likely looking to offer cold, ready to drink beverages and the new refrigerated beer keg dispenser from Blizzard is the perfect option!

Coming with high quality, heavy duty castors that will keep you covered no matter how many times you roll it in and out of position as well as a high quality stainless steel top and dispenser ready. The enclosure offers storage for a single keg and quickly gets the beer down to temperature keeping it there throughout service!
