

## COLD DISPLAY WESLEY 1.3

Meet the Cold Display Wesley, a stylish and efficient solution for your hospitality venue or store!

This black refrigerated display cooler with modern design is perfect for showcasing and cooling your products. Equipped with bright LED lighting, it highlights your products beautifully, while the forced cooling system ensures a consistent, even temperature. With a generous display area of 1.25 m<sup>2</sup>, the cooler offers enough space to display a wide range of products. The dimensions are 1340x902x1230 mm (LxDxH) - power consumption 0.55 kW - capacity 110 liters - temperature range 0/+7°C - weight 140 kg.

### Key features:

- **Forced cooling system:** ensures consistent and even cooling.
- **Automatic defrosting:** prevents ice build-up.
- **LED lighting:** energy-efficient white LED lamps for a stunning product display.
- **Stainless steel undercooling and worktop:** robust, hygienic, and durable.
- **Snack shelf:** additional space for smaller products.

Whether you want to display chilled beverages, snacks, or other food items, the Wesley display cooler offers a reliable and stylish solution for every situation. Order today and experience the benefits of high-quality cooling combined with sleek design!
