

ICE CREAM DISPLAY BORNEO 12X5L

Meet our efficient and stylish 12x5L ice cream display Borneo!

This ice cream display is the perfect solution for showcasing and storing scoop ice cream, ideal for ice cream parlors, hospitality venues, or events. Thanks to ventilated cooling, the temperature is evenly distributed, while automatic defrosting makes maintenance easy. The LED lighting ensures an attractive presentation of the ice cream, enticing customers to make a flavorful choice. With enough space for 12 containers of 5 liters, this display freezer offers optimal storage capacity. Dimensions: 1610x880x1300 mm (WxDxH) - Capacity: 378 liters - Temperature: -16/-18°C - Energy consumption: 1,15 kW - Weight: 252 kg.

Key features:

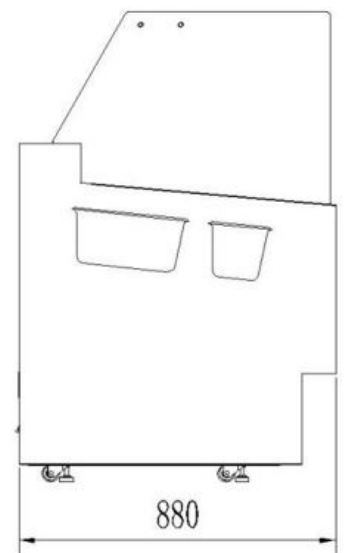

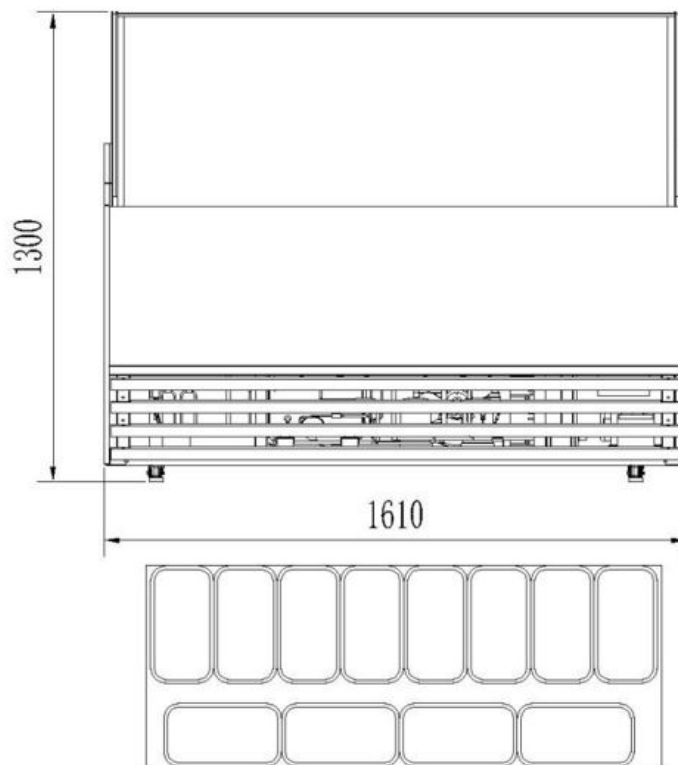

- **Ventilated cooling:** ensures even temperature distribution.
- **Automatic defrosting:** easy to maintain and time-saving.
- **LED lighting:** illuminates the ice cream in an energy-efficient and attractive way.
- **Spacious capacity:** holds 12 containers of 5 liters.
- **Available in 3 sizes:** choose the ideal solution for your business and assortment.

Whether you run an ice cream parlor, own a food truck, or sell ice cream at events, the Borneo ice cream display combines efficiency, style, and ease of use. Order now and ensure a perfect presentation of your delicious ice cream!
