

# FAB5LBL6

|                  |               |
|------------------|---------------|
| Product Family   | Refrigerator  |
| Installation     | Free standing |
| Category         | One Door      |
| Reference width  | Until 60 cm   |
| Reference height | Until 100 cm  |
| Cooling type     | Static        |
| Defrost          | Automatic     |
| Hinge type       | Standard      |
| Hinge position   | Left          |
| EAN code         | 8017709349837 |

## Aesthetics

|               |              |                              |         |
|---------------|--------------|------------------------------|---------|
| Aesthetic     | 50's Style   | Logo colour                  | Chrome  |
| Colour        | Black        | Side material                | Steel   |
| Design        | Rounded      | Side colour                  | Black   |
| Finishing     | Glossy       | Logo                         | Applied |
| Material      | Heat-moulded | Door shelves profile color   | Chrome  |
| Handle        | External     | Drawers profile color        | Chrome  |
| Handle type   | Fixed        | Color of glass shelf profile | Chrome  |
| Handle colour | Chrome       |                              |         |

## Refrigerator compartment features

|                            |       |                                        |     |
|----------------------------|-------|----------------------------------------|-----|
| Compartment types          |       | No. of lights refrigerator compartment | 1   |
| No. of adjustable shelves  | 2     | Internal light in fridge               | Yes |
| Type of adjustable shelves | Glass | Type of internal light (fridge)        | LED |

## Refrigerator Inner Door

|                                           |     |                                  |     |
|-------------------------------------------|-----|----------------------------------|-----|
| Number of adjustable door shelves         | 1   | No. of bottle shelves            | 1   |
| Adjustable door shelves with wire support | Yes | Bottle shelves with wire support | Yes |

## Other technical features

|                             |              |
|-----------------------------|--------------|
| Type of temperature control | Electronic   |
| Refrigerant gas type        | R600a        |
| Type of compressor          | Standard     |
| Refrigerant Quantity (g)    | 19 g         |
| Foam agent                  | Cyclopentane |

## Performance / Energy Label - Reg. 2019

|                                                                                  |          |                                                                                |                  |
|----------------------------------------------------------------------------------|----------|--------------------------------------------------------------------------------|------------------|
|  |          |                                                                                |                  |
| Annual energy consumption                                                        | 49 kWh/a | Sum of the volumes of the chill compartment(s) and the unfrozen compartment(s) | 34 l             |
| Energy efficiency class                                                          | C        | Airborne acoustical noise emissions                                            | 36 dB(A) re 1 pW |
| Airborne acoustical noise emission class                                         | C        | Climate class                                                                  | SN, N, ST, T     |
| Total net volume                                                                 | 34 l     | EEL                                                                            | 63 %             |

## Electrical Connection

|                              |           |                           |              |
|------------------------------|-----------|---------------------------|--------------|
| Electrical connection rating | 60 W      | Frequency (Hz)            | 50 Hz        |
| Current                      | 0,3 A     | Power supply cable length | 100 cm       |
| Voltage (V)                  | 220-240 V | Plug                      | (F;E) Schuko |

## Logistic Information

|                                          |        |                                      |        |
|------------------------------------------|--------|--------------------------------------|--------|
| Width                                    | 404 mm | Product depth with handle            | 570 mm |
| Depth without handle                     | 500 mm | Product depth with doors open at 90° | 800 mm |
| Height                                   | 725 mm | Spacer depth                         | 30 mm  |
| Product width with maximum doors opening | 707 mm |                                      |        |
