

UR600W1

Solid Door Refrigerator

Product Features

- Adjustable shelves GN2/1
- Reversible solid door
- Integrated handle
- Electronic thermostat
- Fan assisted cooling
- Digital controller and temperature display
- Adjustable feet with rollers to rear
- Lock

Solid door refrigerator with GN2/1 shelves, white

The UR range of solid door refrigerators from TEFCOLD combines traditional reliability with sleek design. Each unit comes with a practical integrated handle.

Designed for demanding foodservice settings, this particular model features adjustable GN2/1 shelves with an impressive load capacity of up to 25 kg per shelf. It has fan-assisted cooling and a digital thermostat for easy temperature control. Note that this particular model is energy-optimized and the energy consumption is 57% lower than that of its predecessor.

Available in various colours and sizes, the UR range offers both solid and glass door models. For freezers, see our UF range.
