

PRODUCT

SB 200 · 300 · 400 CHEST FREEZER

The SB series consist of 3 exceptionally energy efficient and eco-friendly chest freezers in energy class A+ with spacious, stackable baskets allowing organized storage. Its built-in Super Freeze function is used for freezing large amounts of food. A control panel with optional angled digital thermometer makes it easy to read the temperature. The partition wall for the freezing compartment also functions as a tray for collecting water from thawing ice.
